L'ENTRETIEN DE VOTRE DOUCHE

Ne jamais utiliser de poudre ou de tampon à récurer. Il suffit de nettoyer la porte avec une solution d'eau et vinaigre, 1 once vinaigre pour 5 onces d'eau. Vous pouvez utiliser un détergent doux mais aucun produit à base d'ammoniaque cela pourrait endommager la surface de la vitre.

THE MAINTENANCE OF YOUR SHOWER

Never use of powder or scouring pads. Simply clean the door with a solution of water and vinegar, 1 to 5. You can use a mild detergent but never use ammoniac, it could damage the glass surface.

MANUEL D' INSTALLATION / INSTALLATION MANUAL

IMPORTANT

- Inspecter le produit avant de procéder à l'installation.
- La garantie sera invalide si le produit a été installé avec des défauts apparents.

ATTENTION

- Lors de l'installation, l'application de silicone doit être à l'extérieur de la douche, car si appliqué à l'intérieur, cela peut causer des fuites d'eau!
- Veuillez lire attentivement ce manuel d'instruction avant de commencer l'installation.
- Conserver ce manuel pour référence ultérieure.

IMPORTANT

- Thoroughly inspect your product before proceeding with the installation.
- The warranty will be void if the product is installed with a conspicuous defect.

CAUTION

- To prevent leaks, silicone must be applied on the outside of the shower and not on the inside!
- Read all instructions carefully before starting the installation.
- Save this manual for future reference.

GARANTIES / WARRANTIES

Nos garanties

Système & composants	1 an
Accessoires et drains de bain & douche	1 an
Produits personnalisés Inspira	1 an
Bases de douche et baignoires, acrylique	20 ans
Bases de douche et baignoires, acrylique finition mat	1 an
Bases de douche et baignoires, résine	5 ans
Murs Slate	5 ans
Murs en aluminium	10 ans
Portes de douche	10 ans
Roulettes & pentures	20 ans

Suite aux conditions et termes décrits ci-dessous, le Groupe Zitta garantit que le produit vendu est conforme à ses spécifications et qu'au moment de la vente, le produit est exempt de tout vice et/ou défaut de fabrication. Cette garantie n'est applicable que pour le premier acheteur utilisateur et ce à des fins personnelles seulement; l'utilisation commerciale ou industrielle n'est pas couverte par cette garantie. Cette garantie ne peut être transférée à une tierce personne. Cette garantie exclut tous les frais reliés au déplacement, à l'installation et/ou à la désinstallation et au transport.

La présente garantie ne couvre pas les défauts et/ou bris résultants de l'Acte de Dieu, d'accidents, de catastrophe, d'abus, de négligences, d'une installation non conforme, de l'ajout et/ou de la suppression de pièce et/ou équipement, d'une mauvaise utilisation, de variation de température intense, d'exposition aux produits chimiques et/ou à des abrasifs de tout genre ou de tache provoquée par différents types d'eau, tel une eau ferreuse ou alcaline.

Le Groupe Zitta ne peut pas être tenu responsable des dommages directs et/ou indirects causés et/ou résultant de cas fortuits, des frais de main d'oeuvre, frais divers, perte de temps, matériaux ou autres coûts relatifs à l'application et/ou remplacement du produit ou l'une de ses composantes. Dans l'éventualité ou un défaut de fabrication se manifeste, l'acheteur/utilisateur devra avoir suivi les instructions d'installation inscrites au manuel d'installation, devra présenter une preuve d'achat ainsi qu'une preuve d'installation par un professionnel reconnu par l'industrie de la construction. Le Groupe Zitta pourra, à son entière discrétion, réparer ou remplacer le produit sur une base au prorata du prix alors en vigueur. Le Groupe Zitta se réserve le droit de faire inspecter, sur le site, la défectuosité par un représentant de son choix. Aucun retour ne sera accepté sans l'autorisation au préalable du Groupe Zitta.

Nettoyage et entretien

Le Groupe Zitta recommande l'utilisation de détergents liquides doux pour vaisselle et d'eau afin de garder une surface propre et brillante. Bien rincer et assécher avec un chiffon propre et doux.

ATTENTION : Les détergents en poudre et/ou abrasifs peuvent endommager les surfaces. Ne jamais mettre en contact avec des produits corrosifs tel que les produits de débouchage de drain.

NE PAS UTILISER : Des produits nettoyants contenant des chlorures, de l'ammoniac ou de l'essence minérale, du sel d'Epson, de la laine d'acier, tampon à récurer ou brosses.

Subject to the terms and conditions described below, the Zitta Group guarantees that the product sold complies with its specifications and that at the time of sale, the product is free from any manufacturing defects and/or faults. This warranty is only applicable to the first user purchaser and for personal purposes only; commercial or industrial use is not covered by this warranty. This warranty cannot be transferred to a third party. This warranty excludes all costs related to shipping, installation and/or uninstallation and handling fees.

This warranty does not cover defects and/or breakages resulting from Acts of God, accidents, disasters, abuse, negligence, improper installation, addition and/or removal of parts and/or equipment, misuse, intense temperature variations, exposure to chemicals and/or abrasives of any kind or stains caused by different types of water, such as ferrous or alkaline water.

The Zitta Group cannot be held liable for direct and/or indirect damage caused and/or resulting from fortuitous events, labor costs, miscellaneous costs, loss of time, materials or other costs relating to the application and/or replacement of the product or one of its components. In the event that a manufacturing defect occurs, the buyer/user must have followed the installation instructions included in the installation manual, must present proof of purchase as well as proof of installation by a construction industry-recognized professional. The Zitta Group may, at its sole discretion, repair or replace the product on a pro rata basis at the then-current price. The Zitta Group reserves the right to have the defect inspected on-site by a representative of its choosing. No returns will be accepted without prior authorization from the Zitta Group.

Cleaning and maintenance

Zitta Group recommends using mild liquid dishwashing detergents and water to keep the surface clean and shiny. Rinse thoroughly and dry with a clean, soft cloth.

CAUTION: Powdered and/or abrasive detergents can damage surfaces. Never put in contact with corrosive products such as drain cleaners.

DO NOT USE: Cleaning products containing chlorides, ammonia or mineral spirits, Epson salt, steel wool, scouring pads or brushes.
