L'ENTRETIEN DE VOTRE DOUCHE

Ne jamais utiliser de poudre ou de tampon à récurer. Il suffit de nettoyer la porte avec une solution d'eau et vinaigre, 1 once vinaigre pour 5 onces d'eau. Vous pouvez utiliser un détergent doux mais aucun produit à base d'ammoniac, cela pourrait endommager la surface de la vitre.

THE MAINTENANCE OF YOUR SHOWER

Never use of powder or scouring pads. Simply clean the door with a solution of water and vinegar, 1 to 5. You can use a mild detergent but never use ammoniac, it could damage the glass surface.

IMPORTANT:

Assurez-vous que les murs sont d'équerre et vérifiez que les tolérances sont respectées.

Make sure that walls are square and verify that the specified tolerances are met.

MANUEL D' INSTALLATION / INSTALLATION MANUAL

IMPORTANT

- Inspecter le produit avant de procéder à l'installation.
- La garantie sera invalide si le produit a été installé avec des défauts apparents.

ATTENTION

- Lors de l'installation, l'application de silicone doit être à l'extérieur de la douche, car si appliqué à l'intérieur, cela peut causer des fuites d'eau!
- Veuillez lire attentivement ce manuel d'instruction avant de commencer l'installation.
- Conserver ce manuel pour référence ultérieure.

IMPORTANT

- Thoroughly inspect your product before proceeding with the installation.
- The warranty will be void if the product is installed with a conspicuous defect.

CAUTION

- To prevent leaks, silicone must be applied on the outside of the shower and not on the inside!
- Read all instructions carefully before starting the installation.
- Save this manual for future reference.

ZittaClean	10 years
Accessory, drain & niche	5 years
Shower column	10 years
Electronics	1 year

Suite aux conditions et aux termes décrits ci-dessous, ZittaGroup garantit que le produit vendu est conforme à ses spécifications et qu'au moment de la vente le produit est exempt de tout vice et/ou défaut de fabrication. Cette garantie n'est applicable que pour le premier acheteur/utilisateur et ce pour la première année à partir de la date d'achat. Cette garantie ne peut pas être transférée à une tierce personne. Cette garantie exclue tout frais relié au déplacement, frais d'installation et/ou de sinistallation et aux frais de transport.

La présente garantie ne couvre pas les défauts ou bris résultant d'Acte de Dieu, d'accident, de catastrophe, d'abus, de négligence, d'une installation non conforme, de l'ajout ou de la suppression de la pièce ou de l'équipement, d'une mauvaise utilisation, de variation de température intense, d'exposition aux produits chimiques et à des abrasifs de tout genre ou de tache provoquée par différents types d'eau tel que l'eau ferreuse ou alcaline.

ZittaGroup ne peut être tenu responsable des dommages directs et indirects causés ou résultants de cas fortuits, des frais de main d'oeuvre, frais divers, perte de temps, matériaux ou d'autres coûts relatifs à l'application ou au remplacement du produit ou à l'une de ses composantes. Dans l'éventualité où un défaut de fabrication se manifeste, l'acheteur/utilisateur devra avoir suivi les instructions d'installation inscrites au manuel d'instructions devra présenter une preuve d'achat ainsi qu'une preuve d'installation par un professionnel reconnu par l'industrie de la reconstruction. ZittaGroup pourra à son entière discrétion, réparer ou remplacer le produit sur une base au prorata du prix alors en vigueur. ZittaGroup se réserve le droit de faire inspecter, sur le site, la défectuosité par un représentant de son choix. Aucun retour ne sera accepté sans l'autorisation au préalable de ZittaGroup.

Entretien et prévention

ZittaGroup recommande L'entretien des surfaces avec un chiffon humide et du savon doux. L'utilisation de produits abrasifs, grattoir, brosse ou tout autres objets pouvant endommager la surface du produit est à proscrire et annulera la présente garantie. Vous référer à la section Nettoyage et entretien pour des directives spécifiques d'entretien du fabricant.

Following the terms and conditions described below, ZittaGroup warrants the product to be free from defects in workmanship from the date of purchase. This warrant applies to the initial date of purchase from an authorized dealer for the owner/end-user only. This warranty cannot be transferred to a third party. This warranty excludes any expenses related to shipping, handling and/or installation fee.

The present warranty does not cover the defects or breaking resulting from any Act of God, accident, catastrophe, abuse, negligence, improper installation, addition or removal of parts or equipment, of misuse, intensive variation of temperature, exposures to chemicals and/or abrasives of any kind, stains caused by different types of water such as ferrous or alkaline water.

ZittaGroup cannot be held responsible for the direct or indirect damage caused by or resulting from fortuitous occurrences, from the expenses of sundries, labor, wastes of time, material or any other cost related to the application or the replacement of the components. In the eventuality that a manufacturing defects appears, the owner/enduser must have followed the instructions described in the installation manual, have in his possession the proof of purchase as well as a proof of installation by a professional recognized by the construction industry. ZittaGroup will, at his discretion, repair or replace the product based on the selling price at the time of purchase. ZittaGroup reserves the right to inspect, on the site, the defect by a representative of its choice. Any return of goods will not be accepted without the written authorization from ZittaGroup.

Maintenance and prevention

ZittaGroup recommends the use of a wet cloth and soft soap for the maintenance of surfaces. The use of gritting scraper, brushes or any other scouring object which can damage the surface of the product is to be proscribed and will cancel the present warranty. Refer to the Care and cleaning of your drain section of the owner's manual for the manufacturer recommendations.
