Matrix 48" Matrix 60"

ZittaClean

The micro protective layer formed during its application will cause the water to bead along the glass for easy maintenance.

Care and cleaning

We recommend using soft soap and soft cloth to clean your glass panels and shower base. To keep your glass panels looking cleaner for longer, use a squeegee after every use.

Do not use abrasive product or high concentration chemicals such as ammonia and acid, or scouring pads on your shower glass or acrylic products as it will damage the finish and the ZittaClean glass treatment.

Reversible door

The instructions shown in this manual is for the installation of the right door.

ZittaClean

Le micro film protecteur formé lors de son application fera perler l'eau sur le panneau de verre afin de faciliter son entretien.

Nettoyage et entretien

Nous recommandons d'utiliser un savon et tissu doux pour nettoyer vos panneaux de verres et votre base de douche. Pour que vos panneaux restent propre longtemps, utilisez la raclette après chaque utilisation.

Ne pas utiliser de produits abrasifs ou chimiques à haute concentration comme l'ammoniac et les acides, ou les tampons à récurer sur vos panneaux de verre ou les produits d'acrylique, car ils pourraient endommager la finition et le traitement de verre ZittaClean.

Porte réversible

Les instructions montrées dans ce manuel d'installation sont pour le montage de la porte à droite.

INSTALLATION MANUAL / MANUEL D'INSTALLATION

ⓘ IMPORTANT

- Thoroughly inspect your product before proceeding with the installation.
- The warranty will be void if the product is installed with a conspicuous defect.

⚠ CAUTION

- Read all instructions carefully before starting the installation.
- Save this manual for future reference.

ⓘ IMPORTANT

- Inspecter le produit avant de procéder à l'installation.
- La garantie sera invalide si le produit a été installé avec des défauts apparents.

⚠ ATTENTION

- Veuillez lire attentivement ce manuel d'instruction avant de commencer l'installation.
- Conserver ce manuel pour référence ultérieure.

BEFORE STARTING THE INSTALLATION / AVANT DE COMMENCER L'INSTALLATION

This manual covers the installation and maintenance of your new products. Read through it once before proceeding to the installation.

Consult your local building code to ensure that the installation complies with the standards of your area.

Carefully inspect the products upon arrival to make sure that there's no damage or missing pieces. If you find a defect, contact your distributor. If damage has occurred during transport, contact your carrier. Care must be taken to protect the surface during handling and installation.

Before proceeding with any plumbing work, make sure to consult an appropriate certified professional from your local code.

The dimensions of the product may differ from those indicated on the drawings. Technical drawings are available on the product's internet page found on : www.zittagroup.com

Ce manuel traite de l'installation et de l'entretien de vos nouveaux produits. Veuillez en faire une lecture complète avant l'installation.

Consultez le code du bâtiment de votre région afin de vous assurer que votre installation respecte les normes en vigueur de votre région.

Inspectez minutieusement les produits dès la réception pour vous assurer que l'ensemble des pièces sont présentes et en bonne condition. Si un défaut est présent, signalez-le immédiatement à votre distributeur. Si il y a eu un bris lors du transport, contactez le livreur. Veuillez bien protéger la surface durant la manutention et l'installation.

Avant d'entreprendre tout travail de plomberie, assurez-vous de consulter un professionnel certifié en technique du bâtiment de votre province ou état.

Les dimensions du produit peuvent être différentes que celles indiquées sur les dessins. Les dessins techniques sont disponibles sur la page internet du produit: veuillez consulter le : www.zittagroup.com

WARRANTY / GARANTIES

Warranty Bathtub / Shower

Acrylic	20 years
System and composants	3 years
ADA and / or commercial products	1 year
Shower doors	10 years
Roller and hinges	Lifetime
Slik stone / solid surface	5 years
Slik cast / cast iron	25 years
ZittaClean	10 years
Accessory, drain & niche	5 years
Shower column	10 years
Electronics	1 year

Following the terms and conditions described below, ZittaGroup warrants the product to be free from defects in workmanship from the date of purchase. This warranty applies to the initial date of purchase from an authorized dealer for the owner/end-user only. This warranty cannot be transferred to a third party. This warranty excludes any expenses related to shipping, handling and/or installation fees.

The present warranty does not cover the defects or breaking resulting from any Act of God, accident, catastrophe, abuse, negligence, improper installation, addition or removal of parts or equipment, of misuse, intensive variation of temperature, exposures to chemicals and/or abrasives of any kind, stains caused by different types of water such as ferrous or alkaline water.

ZittaGroup cannot be held responsible for the direct or indirect damage caused by or resulting from fortuitous occurrences, from the expenses of sundries, labor, wastes of time, material or any other cost related to the application or the replacement of the product or one of its components. In the eventuality that a manufacturing defect appears, the owner/enduser must have followed the instructions of installation described in the installation manual, have in his possession the proof of purchase as well as a proof of installation by a professional recognized by the construction industry. ZittaGroup will, at its own discretion, repair or replace the product based on the selling price at the time of purchase. ZittaGroup reserves the right to inspect, on site, the defect by a representative of its choice. Any return of goods will not be accepted without the written authorization from ZittaGroup.

Care and cleaning

Zitta recommends the use of mild dishwashing liquids or water to keep the surfaces bright and clean. Rinse well and dry with a clean cloth. CAUTION : Powder detergents and liquid abrasive cleaners may damage surfaces. Do not allow the visible surfaces to come in contact with corrosive products such as drain cleaners. DO NOT USE : Cleaning agents that contains chlorides, alcohol, ammonia or mineral essences, steel wool, scouring pad or wire brushes.

Garantie Baignoire / Douche

Acrylique	20 ans
Système et composantes	3 ans
Produits ADA et / ou commerciaux	1 an
Porte de douche	10 ans
Roulettes et pentures	À vie
Slik stone / solide surface	5 ans
Slik cast / fonte	25 ans
ZittaClean	10 ans
Accessoire, drain & niche	5 ans
Colonne de douche	10 ans
Électroniques	1 an

Suite aux conditions et aux termes décrits ci-dessous, ZittaGroup garantit que le produit vendu est conforme à ses spécifications et qu'au moment de la vente, le produit est exempt de tout vice et/ou défaut de fabrication. Cette garantie n'est applicable que pour le premier acheteur/utilisateur et ce pour la première année à partir de la date d'achat. Cette garantie ne peut être transférée à une tierce personne. Cette garantie exclue tout frais relié au déplacement, frais d'installation et/ou désinstallation et aux frais de transport.

La présente garantie ne couvre pas les défauts ou bris résultant d'Acte de Dieu, d'accident, de catastrophe, d'abus, de négligence, d'une installation non conforme, de l'ajout ou de la suppression de pièce ou équipement, d'une mauvaise utilisation, de variation de température intense, d'exposition aux produits chimiques et a des abrasifs de tout genre ou de tache provoquée par différents types d'eau tel une eau ferreuse ou alcaline.

ZittaGroup ne peut être tenu responsable des dommages directs ou indirects causés ou résultant de cas fortuits, des frais de main d'oeuvre, frais divers, perte de temps, matériaux ou autres coûts relatifs à l'application ou au remplacement du produit ou à l'une de ses composantes. Dans l'éventualité ou un défaut de fabrication se manifeste, l'acheteur/utilisateur devra avoir suivi les instructions d'installation inscrites au manuel d'instruction, devra présenter une preuve d'achat ainsi qu'une preuve d'installation par un professionnel reconnu par l'industrie de la construction. ZittaGroup pourra à son entière discrétion, réparer ou remplacer le produit sur une base au prorata du prix alors en vigueur. ZittaGroup se réserve le droit de faire inspecter, sur le site, la déféctuosité par un représentant de son choix. Aucun retour ne sera accepté sans l'autorisation au préalable de ZittaGroup.

Nettoyage et entretien

Zitta recommande l'utilisation de détergents liquides doux pour vaisselle ou d'eau afin de garder une surface propre et brillante. Rincer très bien et assécher avec un chiffon propre. ATTENTION : Les détergents en poudre ou liquides abrasifs peuvent endommager les surfaces. Ne jamais mettre en contact avec des produits corrosifs tel que les produits de débouchage de drain. NE PAS UTILISER : Des produits nettoyants contenant des chlorures, de l'alcool, de l'ammoniac ou de l'essence minérale. De la laine d'acier, tampon à récurer ou brosses.
